

## Private Event Rental Packages & Fees for the Sherbino

The Ridgway Chautauqua Society owns and operates the Sherbino and the 610 Arts Collective. We actively produce programs in these spaces that serve our Mission. Because we are in the business of curating programs (over 150 public events a year and an additional 75 uses for rehearsals), **we no longer rent to individuals or organizations who are running a public event.**

**Public events are events that are publicized and/or open to the public, as opposed to members or invitees.**

Please note: if you are representing a non-profit organization and would like to collaborate with the Sherbino to present a program, please contact our Director of Programming. **We are very much open to partnered, balanced and mutually beneficial programs with organizations and individuals!**

### About our Venue

The Sherbino Theater is a 3,200 square foot building that includes open, flexible space, a bar, a stage and a backstage area. The “open floor” is approximately 1,700 square feet. Without chairs and tables, the room can host about 150 standing. With Chairs in tight rows, it can seat 120. We have 120 black folding chairs on-site as well as ten black 6’ folding tables, 10 round cocktail tables and four to eight small outdoor cafe tables with chairs. The bar offers beer, wine, canned cocktails and an assortment of candy, chips and sodas. \*The 610 Arts Collective Gallery and Courtyard are not available for rentals.
